Dear Brother,

Well I will write you a line this evening. I am all O.K. Hope you are all the same. Lloyd and Donnel got here last week and went out in the country a few days ago to work. They are both at the same place. We have been having some fine weather here lately snow is all gone. What is every body doing down there? The next time you go to Assumption you subscribe for the Prairie State Tribune and have them send it to me and I will send you the money when you let me know what it costs to get it here. I will close for this time. Ans. soon.

Dear Sister,

I thought that I would answer your letter this evening. I am all O.K. and hope you are all the same. I and Uncle Ham have been cutting saw logs for the last few days. I am not going to stay at Uncle Ham's any longer but going to begin work for Arthur Reed in the morning for all summer and next fall. I am getting twenty-two dollars a month and furnished a horse till I get one. Have you sold my horse yet? If not I want you to sell him right away for what you can get for him for I am going to buy one out here. I worked for Ray about a half of a day hulling clover and Mr. Pinkston a day and half and about half of the afternoon and then helped Mr. Wagoner the rest of that day and the next half a day in his place. That party that we had was for everybody that come. Aunt Fanny got me a nice brown necktie for Christmas. Well I guess I must close for this time for I am getting sleepy as I was setting up late last night entertaining the girls. So answer soon.
