Dr. Seager Wheeler,
Rosthern,
Sask.,

Dear Dr. Wheeler,-

I enclose herewith milling and baking reports on your Minred 39 A. wheat, sent us some time ago for the purpose. If you would like to have us conduct further tests on this wheat from this year's crop, we will be very glad to do so. Apparently your Minred is of good general quality but produces an exceedingly yellow flour.

Yours very truly,

Dominion Cerealist,
